February 2019

P&C Volunteer Expression of Interest

Dear Parents,

Throughout the year, the P&C provide several events and activities that support and enhance the school community, however these events need volunteers to make them successful!

We understand that life can be hectic, but we are asking for all parents who are interested in helping the P&C to get involved.

The information will be used to contact you in relation to P&C events. If you would like to assist the P&C, please complete the slip below and return by Friday 1st March.

Regards,

Richenda Goodbun
Holsworthy P&C President
