Paper & Equipment Voluntary Contribution 2024

Dear Parents/Caregivers

Every year we ask parents/carers to make a VOLUNTARY financial contribution to our school by payment of part of students' Paper and Equipment requirements throughout the year. These funds are used to purchase/supply vital resources which are used to provide our students with a high quality education.

Some of the requirements paid for by these fees are:

- **Mathletics:** This is an excellent on-line mathematics program which provides quality supplementation to our teaching programs. Students can also access this highly educational resource at home. The school pays an annual licence fee per student to the provider. Most schools using this valuable program require parents to pay for the annual subscription.
- **Photocopying cost:** We have minimal use of textbooks at Holsworthy Public School. Therefore these copying costs are very high. Other schools use many textbooks which have to be purchased by parents at considerable cost.
- **Communication Software:** The school pays an annual subscription to provide the Skoolbag app to parents.

The Voluntary Contribution for 2024 is \$45 per student or \$90 per family (if you have two or more children attending the school).

Yours sincerely,
Mark Hoppitt
Principal
