Student ICT Equipment/Internet Use Code of Conduct Kindergarten – Year 2 2024

Holsworthy Public School uses technology as part of the curriculum including the use of robotics, Chromebooks and internet sites. Given that technology may be used in many different ways, it is important to agree to use the equipment appropriately.

Breaking any of the following rules may result in the school discipline policy being applied and a withdrawal of computer privileges for a period of time.

ICT Equipment Use:

(ICT Equipment defined as desktop computers, laptops, chromebooks, iPads, robotics, printers and any peripheral devices)

I agree to:

- **NOT** share my password with any other student
- **NOT** use any other student's password
- follow all teacher instructions when using equipment
- treat the equipment with care and respect at all times
- print only when instructed to by a teacher

Internet Use:

I agree to:

- access websites and search engines appropriate to the task
- follow all teacher instructions when using the internet
- not share my personal details to any website
- **immediately** tell a teacher if I see anything that is inappropriate or unsafe

Please return the slip below to the classroom teacher.

Student ICT Equipment/Internet Use Code of Conduct Kindergarten – Year 2 2023

I have discussed the above Code of Conduct with my child and agree that breaking any of the rules above will result in the application of the HPS Discipline Policy and a loss of ICT equipment privileges for a period of time.
